Make a soft animal, doll or teddy bear which will become the property of the L.A. County Fair, and will be distributed to the Pomona Valley Hospital Medical Center. For 13 years, the L.A. County Fair has donated “friends” through the **“Plush Toy Program”** at the Pomona Valley Hospital. Through the hospital’s Social Services Program, pediatric surgical patients are united with a new “friend” (stuffed animal, doll or toy) to help them through difficult times. Sharing your talents and providing a child with a smile is truly a gift from your heart, as these programs are fully dependent on donations from the public.

Class

- 1- Animal, stuffed
- 2- Doll
- 3- Teddy Bear
- 4- New, purchased stuffed animal, teddy bear or doll

- Class 4 items will not be judged, but will be accepted as a donation only for this project.
